The Honorable Jan Meyers  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Representative Meyers:

PLEASE... PLEASE... PLEASE...

DC

do everything in your power to keep the OSHA Indoor Air Quality rule from becoming law.

The OSHA IAQ rule is yet another example of government feeling the need to do something to justify its existence... and then doing something stupid.

I do not ask the government to help me by giving me anything. PLEASE just leave me alone so that I can devote my full energies to the enormous task of running a small business.

Sincerely,

Bob
